HOUSEHOLD HAZARDOUS WASTE

What is HHW?

Household Hazardous Waste (HHW)
refers to leftover household products that
may be flammable, toxic, corrosive or
reactive.
Improper handling of these materials can
pose risk to human health and the
environment.

Why does it matter?

These materials should never be placed
in the trash or poured down drains.
Proper disposal helps protect, people,
wildlife, and local water systems.

What can you do?

- Never throw HHW items in the trash.
- Never mix products.
- Keep HHW in their original containers.
- Ensure materials are clearly labeled.

FREE HHW drop-off is
available 7-days a week at
the locations below.

Residential
disposal ONLY
