The cover photos recognize people whose stories were included in The Fig Tree in 2025 and 2026. From the top left are the Rev. Benjamin Watson, pastor of Bethel African Episcopal Church; Colleen Fuchs, executive director of Joya Children and Family Development; the Rev. David Gortner, pastor of St. Luke's Episcopal in Coeur d'Alene and Fig Tree columnist; Janine Wynne, executive director of YWCA Spokane; Jeff Ferguson of Elk Soup and the Battlegrounds Native Arts Market; Anna Franklin, founder of Maji Rising; Luc Jasmin III of the Eastern Washington Governor's Office; Julie Honenkamp, former director of SNAP, and LaRae Wiley, founder and vice president of Salish School of Spokane.

Tips on how to use this directory:

- Check the table of contents on page one and in each section.
- Find sections by page number, tabs in margins, and page headers.
- Use indexes in the back - organizations in alphabetical order.
- See multiservice and emergencies pages for quick referrals.
- Listings are divided in each section by area code, for Eastern WA is 509 and North ID is 208.

Inclusion of congregations and agencies is for informational purposes to raise awareness of the range of faiths and nonprofits, not as an endorsement. This directory offers comprehensive coverage of social services, activities and ministries in the Inland NW. We endeavor to be inclusive while respecting those not interested in participating.

We do not sell or distribute mailing lists.

The material is copyrighted. Please ask for permission and an MOU to reprint material beyond 20 listings with descriptions, or 50 listings without or to network. **We request**

that before use or distribution of any material using our information or language, contact us for permission. We update information annually. With recent concernsof data centers and resource apps WA states has series new laws in place protecting the intellectual right and press copyrights of research, publishing, related products and supplements. Those in public caught in violation of copyright will result in report filed to the newly formed Data Security office of the Attorney Generals of WA who will investigate. Each cell of data plagiarized is legal felony under the law w/ prison and/or fines.
